Pure shoot-em-up arcade action for the 64! The Lunar city of Erriam is under attack from the ships of the Jovian empire. Their merciless bombing will reduce your city to a pile of rubble, unless you can hold them off. You are the commander of the sole laser defence base. Your mission - hold out for as long as possible.

## WORD FEUD

£7.95

This brilliantly conceived program combines the best parts of arcade games with the best of educational games, making a real family game that anyone who can see the screen can participate in. You have to find the word that is hidden twice in the jumble of letters, then guide your sights over one of the occurrences of it.

The first to find it wins! You can play by yourself or in teams against the computer, or against other players. Three difficulty levels are included to suit young and old alike!

## BONZO 64

£5.95

This best-selling game for the VIC-20 is now available on the 64! Featuring the most intelligent and devious monsters you have ever tried to avoid, the Bonzos, this game is a real joystick wrencher. Move Hans, the handyman, up and down the ladders to pick up the boxes from the different levels.

But don't meet a Bonzo on the way!

## BURNIN' RUBBER

£6.95

You are an entrant in the great Intergalactic Four Seasons Death Race! You must tackle the Spring, Summer, Autumn and Winter sections with the objective of running as many other cars as possible off the road. The opposition is numerous, including the indestructible but slow Tank Cars, the tricky Deathmobiles and many other Demon Drivers. You have one advantage - your car can fly for a limited distance, allowing you to avoid hazards if you're quick enough! All this and more makes Burnin' Rubber the car race of the century!

# DISK GAMES

## FORBIDDEN FOREST

Forbidden Forest is more of a quest than just a game! The action takes place in a four dimensional scrolling forest landscape which many have entered, but none has returned. Yes, I did say **FOUR** dimensional - day fades into night as the action unfolds! The quest is to seek out and destroy the Demogorgon, mystic ruler of the Forbidden Forest. Before you can even set eyes on him you will have to contend with his army of fearsome creatures, including mutant spiders, showers of giant frogs, snakes, dragons, skeleton soldiers and more! You have only your trusty bow and arrows to depend on!

## AZTEC CHALLENGE

A challenge on an epic scale! Aztec Challenge takes you on a journey to Mexico and the ancient pyramid of Tenochtitlan. The ancient Aztec gods and their devotees have ensured that no ordinary human can learn the secrets of the temple and live to tell the tale. The pyramid is protected by all

manner of treacherous traps and hidden perils - an epic test of your courage and cunning. Aztec Challenge features no less than seven totally different screens - here are just three of them - each of which presents a brand new challenge. We hope your joystick can stand up to it!

**SS019**

## SLINKY

Slinky, the spring, was having fun hopping about when suddenly he came upon a pile of coloured blocks, so he thought he'd play around on them for a while. Much to his amazement he found that they changed colour when he landed on them. Wow! But unknown to him, the blocks belonged to the Wicked Wizard, who sent his friends along to tease our poor hero. Slinky is a real fun package with ninety-nine levels, amazing reward displays, and action replays. Where else could you meet such charming characters as Dusty the dust cloud, Marge the magnet, Ralph the random raindrop, and Lorenzo the chameleon hopper?

**Audiogenic LTD**

# Ammodore 64

If you've got a 1541, you don't want to spend ages waiting for cassette games to load. Freed from the restraints of loading times, Audiogenic Disk Games can give you typically around 30K of machine code! More code means better games, better graphics and sound, more variation, and those little extra touches that you will come to expect from a game.

**SS016**

## FRANTIC FREDDIE

Frantic Freddie is fun all the way! Played to an unbelievable soundtrack of brilliantly arranged tunes, Frantic Freddie contains all the ingredients that make a game into a classic! Freddie is a telephone line engineer who has to climb up and down the telegraph poles, picking up pots of gold and avoiding the dreaded Greeblies. The Greeblies take on a different form with every new screen, but one thing's for sure - they may look cute, but they show no mercy! Frantic Freddie also features wacky messages, funny interludes and silly bonuses. Frantic Freddie - a game with a sense of humour!

## PEGASIS

**SS017**

Pegasus takes us back to the mythical age when the battle between Good and Evil was fought by heroes on winged steeds. As the champion of the forces of Good, you must topple the evil Black Warriors from their jet black flying horses by swooping down on them from above, then land and finish them off before they can remount. In order to keep airborne, you must keep your wings flapping with the joystick Fire button, and control direction with the stick. The brilliant programming of Pegasus gives you stunning graphics, bonus creatures, great wing flapping sound effects, an incredible simulation of flying horse aerodynamics, plus - two players can play at the same time!

**\* THESE FUN-PACKED PROGRAMS ARE ALSO AVAILABLE ON CASSETTE - £8.95**

### VP010 AMOK

£6.95

One of our first programs, and still one of the best available for the unexpanded VIC! The halls of AMOK are populated by robots out of control and out to get you. To save yourself you must be quick on the draw and fast on your feet.

### VP026 ALIEN BLITZ

£7.95

Space Invaders for the unexpanded VIC! How good are you at blasting aliens from the sky? Find out on the superhuman ninth level!

### VP055 GOLF

£7.95

At last - Golf in the privacy of your own home! Set your handicap and tee off - with choice of clubs and nine different holes with hazards, bunkers, water, etc. About the only thing it doesn't do is serve drinks in the clubhouse afterwards! Requires 3K or larger expansion.

### VP064 BONZO

£7.95

Bonzo is the great best selling game from Germany, featuring brilliant full-screen graphics and some of the most intelligent and devious monsters you have ever tried to avoid! Move Hans the Handyman (complete with overalls and cap!) up and down the ladders and pick up the boxes from the different levels, but beware of the Bonzos! Requires 8K expansion.

### VP065 TOMB OF DREWAN

£12.95

Search the 400 chambers of the Tomb of Drewan in your magical quest for the Amulet of Kartos. This is a graphical adventure game - the action takes place on the screen one chamber at a time, and you can actually see yourself as you collect your spells and fight the demons of the Tomb. Quick reactions are vital to avoid wounds and loss of strength. One game could last for hours, so games can be saved and loaded back in for finishing later. Program is supplied in presentation box with full instruction manual. Requires 16K expansion.

### VP071 PIT

£7.95

From the writers of Bonzo comes Pit! This game has the same high standard of graphics as Bonzo, and features the same poor harrassed Workman. This time he has to go from one side of the screen to the other, pick up the money bag, and get back again, while dodging the hail of deadly drops from the sky! For unexpanded VIC only!

### VP084 MANGROVE

£7.95

A totally original game idea - you must move around the screen building up a body of cells which are attacked by deadly microbes. Very fast action game for the unexpanded VIC!

### VP085 A COUNTRY GARDEN

£7.95

A great version of the famous fast-action arcade game. Your garden is being infested by mutant pests. Shoot the Centipedes that worm their way down at you and change into mushrooms when hit, and destroy the bonus snails and fleas! Requires 8K expansion.

### VP086 KAKTUS

£7.95

From your underground hideout you must shoot the swarms of wasps and hornets which are attacking the giant Cactus. You will be attacked by the buzzard who drops deadly eggs at you, and the mole who tries to block up your shooting holes. Great graphics and a truly original game concept! Requires 8K expansion.

### VP089 TEDDY

£5.95

If you go down to the woods today, you're sure of a big surprise! They have become infested with the dreaded lake-snakes, whose idea of a good time is to devour Teddies. So you must help to preserve the Teddy species by fighting back at the lake-snakes, whilst keeping them alive by searching out remnants of picnic baskets left by unsuspecting tourists. Requires 8K expansion.

### SS090 CATAclysm

£5.95

Pure shoot-em-up arcade action for the unexpanded VIC. The Lunar city of Erriam is under attack from the ships of the Jovian empire. Their merciless bombing will reduce your city to a pile of rubble unless you can hold them off. You are the commander of the sole laser defence base. Your mission - hold out for as long as possible.

### VP091 SHIFTY

£5.95

Not another Pac Man???!! No - Not just another Pac Man. This has the same ingredients, Gobbler, Ghosts and Dots, but it's a whole new game! The action takes place in a maze made up of revolving doors. Each time you go through a door it turns through 90 degrees, so you can use it to shut out the ghosts. But beware - these ghosts ain't stupid - in fact they're very shifty! Requires 8K expansion.

### VP092 SPIDERS OF MARS

£5.95

Spiders of Mars, Cloudburst, and Outworld are the cassette versions of our famous VIC cartridges. These were all best sellers in their cartridge form, but we put them onto cassette so that you wouldn't have to pay cartridge prices! The price is lower, but the games haven't changed - Spiders of Mars is still one of the best VIC games ever! You are a trapped Martian fly, and you must shoot your way across Mars avoiding the dreaded Spiders and other flying creatures. See if you can beat the record of over 2,000,000 points! Requires 8K expansion.

SPIDERS OF MARS

### VP093 CLOUDBURST

£5.95

Save the Earth from the downpour of Acid Raindrops and the invasion of the mutant Cloud Hoppers. Speed and skill are essential! One of the fastest shoot-em up games around! With original music and ten levels of play. For the unexpanded VIC only.

### VP094 OUTWORLD

£5.95

The lights of the beautiful city of Outworld blink invitingly. But life in Outworld is no party! The laser base must be manned constantly to blast the meteorites and alien saucers and bombs which threaten the city. Constant vigilance is required, or the city is doomed. Outworld features ten playing levels and unbelievable graphics that set new standards in VIC games programming! Requires 8K expansion.
